Stephanie Sexton - Premier 1 Supplies, New Product Manager

# Who is Premier 1

**Premier 1 Supplies is a livestock supplier known for its extensive range of products.**

## **Key Offerings & Specialties:**

- **Electric Fencing & Netting:** Providing solutions for rotational grazing and containing all species.
- **Sheep, Goat & Cattle Supplies:** Includes ear tags, clippers, nutritional and management equipment.
- **Expert Advice:** We offer guidance and support, leveraging our own farming & livestock experiences to help customers succeed.

# Who is Premier 1

## Core Values:

- **Farm-Tested Products:** We operate our own farms to test products ensuring effectiveness and quality.
- **Employee Farms:** Most of our sales and product personnel own and operate their own livestock operations.

# Who is Caisley

## Global Leader:

Trusted in over 70 countries, Caisley, is a global leader in animal ID solutions for cattle, sheep, goats and pigs.

Their technology plays a vital role in disease control, traceability & herd management worldwide.

- Has partnered with Premier 1 since 2005 to supply ear tags nationwide.

840 tags &  
**840 TSU tags**  
for EarTagCentral  
customers!

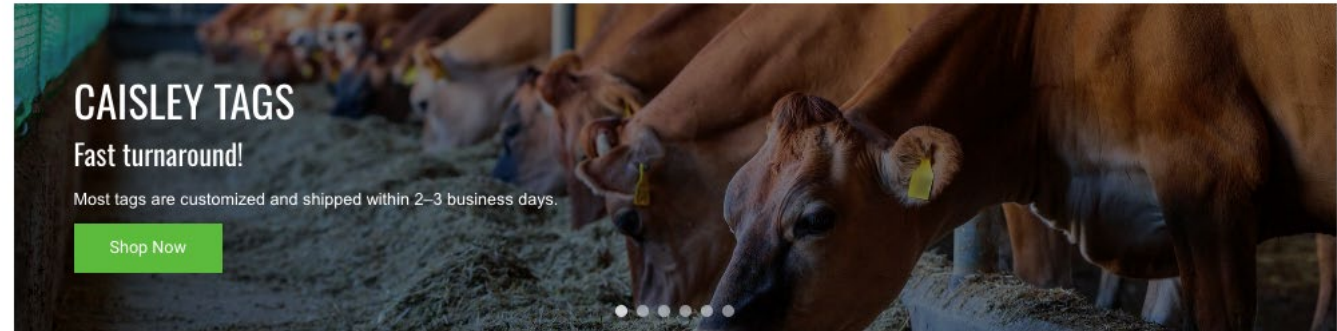

Premier 1 is partnering with EarTagCentral.com to offer **exclusive pricing** on Caisley 840 EID and 840 EID TSU ear tags.

These 840 tags streamline cattle management by combining **electronic identification, visual identification** & if needed, **tissue sampling** in one simple step.

Ordered via your  
EarTagCentral.com web page.

A banner image showing several cows with yellow ear tags. The text is overlaid on the left side of the image. Below the text is a green "Shop Now" button. At the bottom of the image, there are several small white dots, likely a carousel indicator.

# Each 4-panel strip tag includes:

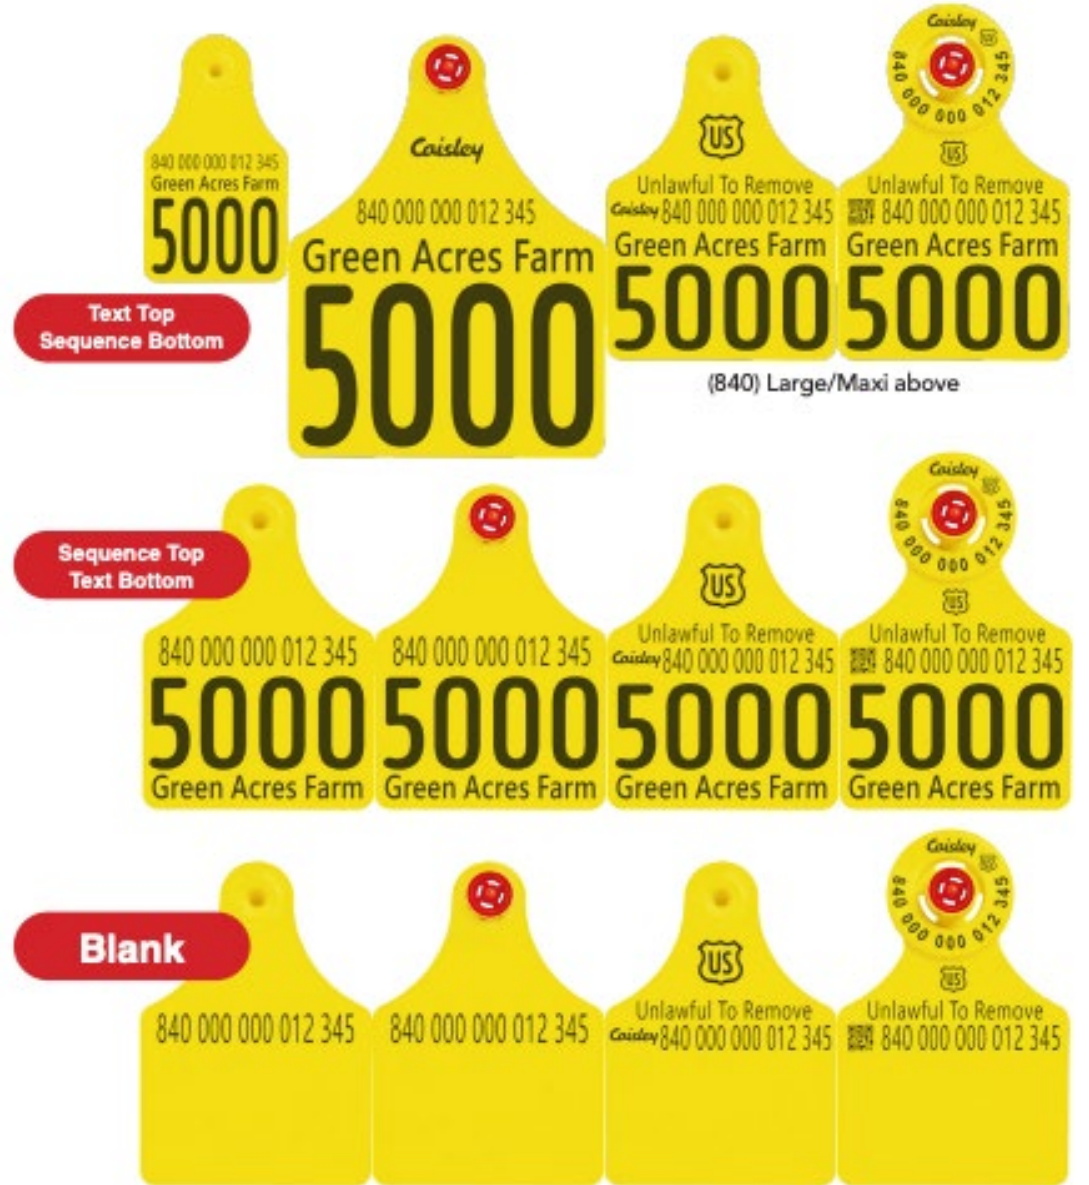

- Lightweight flag-style EID tag with integrated transponder (HDX or FDX)

- A matching visual ear tag with optional built-in tissue sampling unit

- Custom imprinting available **at no additional charge!**

- **Fast turnaround!** Most tags are shipped within 2-3 business days.

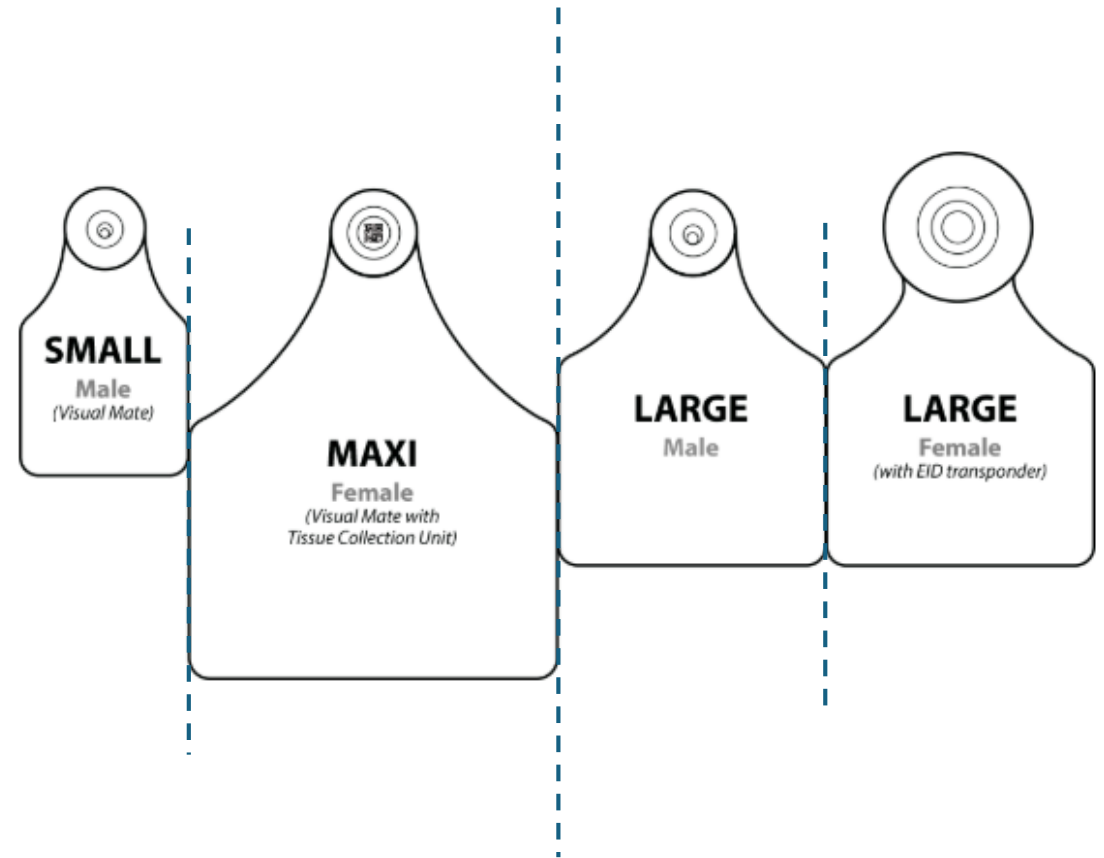

# Printing Customization Options

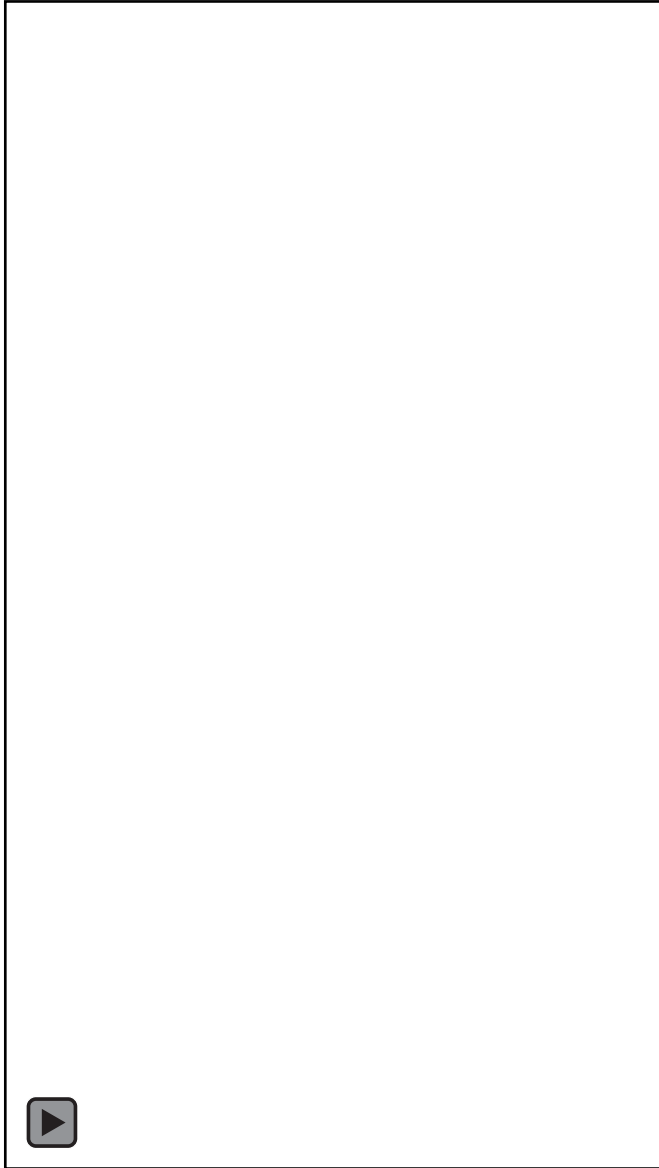

# Tag Layout:

---

The paired tag strip will come slightly connected. The producer will need to tear them apart prior to application.

**Brittany Chester**  
**C&M Dairy**  
**Lisbon, NY**

“I love these tags.  
They are so simple to  
use and instead of  
having to punch four  
holes in the calf’s  
ear, it is only two and  
very easy to do.”

- Brittany Chester

# Tag Specs:

- Caisley EID/TSU Cattle Ear Tags meet USDA traceability requirements.
- Tissue collection units (TSUs) contain a liquid preservative.
- Vials are identified by a barcode using the same 15-digit Animal ID encoded into the transponder and visually imprinted on each tag panel.
- Can be used with any ISO-compliant EID reader.
- Zoetis genomics compatible; others pending
