Sessions 1 through 8 and the National DHIA Annual Business Meeting will be a hybrid format with in-person delegate, DHI System Field Service, Laboratory and DRPC participants and industry attendees either in person or virtual attendance through video conferencing. Registration must be submitted with payment for access through an individual link specific to each attendee. The National DHIA Business Meeting will require a virtual link specific to each delegate for voting purposes.

The *Managers Meeting in Session 3 and 4* will have a separate link provided after registration for the meeting packages. The separate link will be used for admission to the Managers meeting sessions.
